REGINA EXHIBITION GROUNDS Please park in the designated areas

PURCHASERS' SALES INFORMATION

The following excerpt from the rules and regulations governing this sale will be of special interest to those purchasing breeding stock.

1. Terms of Sale—Cash

Immediately after your purchases are completed, settlements and shipping instructions will be taken in the front office of the Auditorium. Information on freight schedules and rates, and livestock insurance will also be available.

All purchases must be settled for within one hour of the sale of the animal. If any purchaser fails to settle for his purchase as stated, the Committee reserves full power to resell the animal to the best advantage either publicly or privately, without further information and any loss arising from such resale, together with the keep and all other expenses, will be collected from the defaulter.

Immediately after each purchase is declared the risk of the animal shall be exclusively with the purchaser, and until a settlement is made in the terms of these conditions the delivery of the animal shall be suspended.

Before an animal can be removed from the building, the buyer must present to the Barn Superintendent the official receipt and release signed by the Treasurer or Association Representative.

2. Pedigrees

Ear tattoos and identification of all stock contributed to this sale have been checked and compared with the Registration Papers for your protection. The Registration Certificates will be transferred to your name on the books of the Canadian National Livestock Records at Ottawa and the transferred Registration Papers forwarded, by mail, to you.

The purchaser of an animal at an Association sale will be given twenty days after the last day of the sale within which to file with the Secretary claim for compensation by reason of any erroneous information respecting such animal that may appear in the catalogue and was not corrected by the auctioneer at the time the animal was offered for sale.

3. Mail Order Purchase

The Secretary is prepared to purchase bulls for persons unable to attend the sale personally. To do this you should send a marked cheque, for the amount you are willing to pay, made out to the Regina Bull Sale and indicate the lot numbers you would wish a bid placed on. Averages at these sales will be found on the back pages of this catalogue.

4. Order of Sale

Animals will be sold in the order of contributor's name in the catalogue. For the day and time at which different breeds are sold, see the program in the front of this catalogue. All stock must be returned to their original stall by the seller and left there until settlement has been made. Contributors must feed and care for animals until evening of the day on which they are sold.

5. Bidding

If any dispute arises between two or more bidders, it will be settled by the animal again being put up and resold. The decision of the auctioneer shall be final in such cases.

6. Health Regulations

(a) As the Province of Saskatchewan has been declared a Restricted Area for the eradication of Bovine Tuberculosis, all cattle entering this Show and Sale from herds not dealt with under the Accredited Herd Plan, will be of Restricted Area standing.

(b) To qualify for export to U.S.A. all cattle must have passed a blood test for Brucellosis within 30 days of the date of sale. To avoid delays owners shall arrange to do this through their local Veterinarian where reasonably possible.

(c) All cattle contributed to this sale must be free of skin diseases, parasites, or other obvious abnormalities.

7. Breeding Guarantee

(a) Should a bull, under natural service conditions, in the opinion of the purchaser, be a non-breeder, the purchaser shall report the same in writing to the Secretary of the Association between two and six months from the date of sale. The purchaser shall then complete a Statutory Declaration supplied by the Association. The purchaser may be required to retain the bull for the six months and after this period, the contributor shall have the option of testing the animal for four months on his own premises. If the animal then proves to be a non-breeder, the contributor will refund 75% of the purchase price of a bull purchased for a price of up to \$1,000; 90% refund of bull's purchase price if in excess of \$1,000, or supply an animal of approximate age, quality and breeding, and the non-breeder to be returned to the contributor. A contributor will not be responsible for injury, infection, or sickness which was not apparent at the time of sale, or for improper care and feeding by the purchaser. In either case the purchaser is to be responsible for all transportation charges incurred.

(b) It is to be clearly understood that the Association is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does the Association assume any financial obligations to collect or enforce collection of any moneys between parties and any legal action that may in exceptional cases, be taken, must be between the buyer and seller themselves. The Association guarantees all pedigrees or will revoke any sale concerned. In all cases the influence of the Association will be exerted, as far as possible, to hold all parties strictly to these regulations.

8. Loading and Transportation

(a) Animals not to be shipped by rail will be delivered to the various buyers on the grounds, who will take charge of them immediately after settlement has been made.

(b) The Association will undertake to feed and load animals purchased at this auction sale for a fee of \$5.00 per head. Animals will be shipped F.O.B. Regina. When the distance is over one hundred and fifty miles, the purchaser may have to accompany the animals or pay the Association for securing a man to take the shipment.

(c) The loading and shipping of cattle after the sale will be conducted under the direction and supervision of the Association, and all cattle to be shipped by rail will be regarded as delivered to the purchaser when they have been properly loaded and billed to their destination. Purchasers will be expected to render any assistance in the loading and shipping that may be required of them and to make all necessary arrangements among themselves and with the Secretary for such attendant or attendants as may be required to accompany the cattle to their destination.

(d) Every care will be exercised by the management to prevent injury to, or loss of property, and to insure the prompt collection and delivery of animals at the proper destination, but the Association, acting only as a medium between buyer and seller, will not be responsible for any loss or damage that may occur during transportation.

9. Powers of Executive Committee

The Executive Committee shall have power to cancel the sale of any animal before delivery provided such course in its opinion is fair and just, both to buyer and seller.

The Treasurer will have power to give receipt in full for all payments on stock and will remit the amount realized, less the proper charges for each animal, to the contributor within three weeks after the date of the sale.

Purchase of Breeding Stock for Export

Complete information regarding the purchase and export of breeding stock to the United States is available if required. Cattle are exported from this sale every year to the United States. Last year over 30% of the bulls sold went to the U.S.A.

Arrangements have been made for a representative from Canadian National Livestock Records to attend the sale and transfer the registration certificates to the names of American Buyers. Veterinarians from the Health of Animals Division will also be in attendance to take immediate tests for T.B. and Bang's Disease, if necessary. These facilities are provided to encourage American buyers and cause the least possible delay in shipment.

United States funds will be accepted at the current rate of exchange for the purchase of stock.

Build a better future with Shorthorns

SHORTHORNS . . . a proven breed as a purebreed . . . an excellent breed in crossbreeding.

IN THE COMMERCIAL HERD

Because of their high milk production and pigmented udders, combined with their ability to calve regularly and unassisted, Shorthorn cows have shown themselves to be far superior to the other native breeds when called on to raise and wean a large calf.

SHORTHORN ECONOMY

Efficiency on grass producing top weights, with minimal amounts of grain required for top carcass grades.

Save yourself some money this summer and make a lot more on next year's calves.

This bull won his class 11 times in a row, including victories at every major show in Western Canada last summer. He was Grand Champion at Calgary, Swift Current, Melfort, and North Battleford; Reserve Grand at Red Deer, Lloydminster, Regina & Vancouver. His sire was Grand Champion bull at Agribition in 1973 and the dam of his sire was Grand Champion Female at Agribition in 1971. Citation's mother has produced 2 Grand Champion females at Class A Western Fairs and is also the dam of Scotsmorr Bonanza, the amazing Northern Giant at Boblyn Farms, Cut Knife, whose first son was Grand Champion bull at Regina Bull Sale in 1973. (Our bulls are not fed with the objective of recording the highest rate of gain possible. Their daily ration while on test was 6 lbs. of oats and 10 lbs. of hay.) | | | | |

HEREFORDS (POLLED)

All bulls bred by contributor unless stated otherwise.

P - Indicates Polled

SHOW

WEDNESDAY, March 26 - 7:00 p.m.

SALE

THURSDAY, March 27 - 10:00 a.m.

FRIDAY, March 28 - 10:00 a.m.

As the Province of Saskatchewan has been declared a Restricted Area for the Eradication of Bovine Tuberculosis, all cattle entering the Show and Sale from herds not dealt with under the Accredited Herd Plan will be of Restricted Area Standing.

- 674 HOW'S N FAIRFAX 14E - P1467306 Apr. 19/73
WHO 14E rt. ear; S/S: Square D Victor 39W - P
R.O.P. Index 114-124-119. This bull we are extremely proud of. A son of DNW Domestic Fairfax 1C; a bull which was sold in the 1973 Bull Sale for \$4,000, going to John Schultz, New York. 14E. is a proven bull; we should have several calves off of him. He was a top gaining bull on test, a 1C daughter was our top gaining heifer as well.

The Saskatchewan Livestock Associations

*"Working for the Improvement of the
Livestock Industry"*

and

*"Quality Livestock for Canadian and
World Markets"*

There are many people engaged in the various phases of this industry who are not members. You may be one of these. We suggest that in order to do your part to assist, you should look over this list of Associations and take out membership in those in which you are interested.

SASK. CATTLE BREEDERS' ASS'N

Pres. Gordon Hollinger, Lemberg
Vice-Pres. John Blacklock, Saskatoon

SASK. HORSE BREEDERS' ASS'N

Pres. Ralph Katzman, Saskatoon
Vice-Pres. Gib N. Robbins, Laura

SASK. SWINE BREEDERS' ASS'N

Pres. Ward Mortenson, Govan
Vice-Pres. J. Ernie Wilson, Young

SASK. SHEEP BREEDERS' ASS'N

Pres. Maurice Denzin, Craven
Vice-Pres. Mrs. Susan Quist, Saskatoon

The Associations Have Two Major Objectives:

1. The development of the phase of the livestock industry which they represent. and providing various services to individual breeders.
2. Conducting Shows and Sales. In this way breeding stock is distributed and breeders are provided with a medium for sale of their stock.

Membership fee for each Association is \$5.00. Membership in these Associations will mean that your name will be on all mailing lists for entry forms, catalogues, annual reports, notices of meetings, and circulars.

Send this form and appropriate remittance to:

MARY H. SCHNURR, Sec. Treas.
Saskatchewan Livestock Association
No. 6, 2134 - 11th Avenue,
Regina, Sask. S4P 0J5
